Dear Sirs,

We have now the pleasure to advise you that the two bales of Mysore Silk ex Arabia have been sold at 15/- per lb less1/2% conditioned weight

Our brokers Messrs Durant Bean & Co, inform us that they are very pleased with the parcel and strongly suggest that you should send forward further shipments as opportunity arises as they feel sure that provided a quality and put-up are maintained this silk would command a ready sale Parcels of 20 to 30 bales could easily be moved

We shall be glad if you will inform us in due course whether it is your intention to continue this business, so that the brokers may inform their buyers as to future prospects of business in this article They consider the quality to be fully equal to best Cashmere and superior to the ordinary Indian No doubt as your workmen grow more proficient in the reeling and other operations the finish etc of the silk will be still further improved, and this will naturally lead to better prices being obtained in the future

We are, dear Sirs,

Yours faithfully, p/p Jer Lyon & Co
